Memories of Pete

Poem

The Star

A light went out on Earth for me
 The day we said goodbye
 And on that day a star was born,
 The brightest in the sky
 Reaching through the darkness
 With its rays of purest white
 Lighting up the Heavens
 As it once lit up my life
 With beams of love to heal
 The broken heart you left behind
 Where always in my memory
 Your lovely star will shine
 Reflecting & remembering

Words of comfort

Poem

Come With Me
 read by Jane Disney

God saw you getting tired, and a cure was not to be,
 So he put his arms around you and whispered, "Come with me."
 With tearful eyes, we watched you suffer and saw you fade away,
 Although we loved you dearly, we could not make you stay.
 A golden heart stopped beating, hardworking hands at rest,
 God broke our hearts to prove, he only takes the best.
 It's lonesome here without you, we miss you more each day,
 Life doesn't seem the same since you've gone away.
 When days are sad and lonely and everything goes wrong,
 We seem to hear you whisper, "Cheer up and carry on."
 Each time we see your picture, you seem to smile and say,
 "Don't cry, I'm in God's keeping, we'll meet again someday."
 You never said I'm leaving, You never said goodbye
 You were gone before we knew it and only God knew why,
 A million times we needed you, A million times we cried
 if love alone could have saved you, you never would have died
 In life we loved you dearly, In death we love you still
 In our hearts you hold a place that no one could ever fill
 It broke our hearts to lose you, but you didn't go alone
 For part of us went with you the day God took you home.

Words at Graveside Cheshunt Cemetery

The Lord's Prayer

Our father, who art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done,
On earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive those who trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
The power and the glory,
For ever and ever. Amen
