**God's Garden**

God's Garden  
God looked around his garden  
And found an empty place,  
He then looked down upon the earth  
And saw your tired face.

He put his arms around you  
And lifted you to rest.  
God's garden must be beautiful  
He always takes the best.

He knew that you were suffering  
He knew you were in pain.  
He knew that you would never  
Get well on earth again.

He saw the road was getting rough  
And the hills were hard to climb.  
So he closed your weary eyelids  
And whispered, 'Peace be Thine'.

It broke our hearts to lose you  
But you didn't go alone,  
For part of us went with you  
The day God called you home.

**Her Journey's Just Begun**

Don't think of her as gone away  
her journey's just begun,  
life holds so many facets  
this earth is only one.

Just think of her as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.

Think how she must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.

And think of her as living  
in the hearts of those she touched...  
for nothing loved is ever lost  
and she was loved so much.
