Paying tribute to John

Poem

It's time to say goodbye Dad
You may have had a long life, but it just feels way too soon
Your kind and gentle nature defined you and you will always be missed
As will your unwavering support in everything we did
Along with your interest in the lives of your children and grandchildren
You will always be with us through wonderful memories and moments
And in that way, you will remain with us as long as we live

A time for reflection
